

## **GUIDELINES FOR GROUP TOURS**

Thank you for bringing your group to visit Lollypop Farm! Please remember that the animals that are here are looking for a new home and that the shelter environment can be stressful to some pets. For the safety of all humans and animals, we ask that your group:

- **Uses inside voices** (*indoors and outside on the farm*). Loud noises can be especially scary to some of the animals both in the shelter and on the farm.
- **Walking, no running**. Especially while your group is visit the farm area, please ensure that everyone is walking. Running and fast movements are frightening to many farm animals.
- **Do not feed any of the animals**. Many of the pets here have special diets and could get sick if they eat something they should not.
- **Do not stick fingers in cages**. Some of the pets could have contagious zoonotic diseases or they could bite/scratch if they are scared.
- **Do not climb on fences, statues, or agility equipment**.
- **Pay attention to posted signage and be aware of your surroundings**.

### **PRO TIPS:**

- There is a pavilion located on the south side of Lollypop Farm property. If you use this space, please be sure to clean up after you are done.
- The Town of Egypt Park has an awesome playground, kickball field, pavilion, and public restrooms. There is a footbridge that connects to the farm walk!
- Share your experience with us and tag @LollypopFarm in your social media posts!
